

International students are requested to complete and supply this Statement of Purpose with their course application. This statement provides the College with a greater understanding of your awareness of the scope of the course, the financial commitment required and other key aspects of the student's enrolment in your selected course with the College.

Please ensure that you provide sufficient details in response to the below questions.

Note that your responses will be attached to your student file.

1. A brief statement on your academic background

2. Why do you want to study in Australia? What specific details of the program at ACAP appeal to you?

3. Does your course selection correspond with your academic and/or professional background?

If it does not correspond, please state reasons for course selection.

4. Why do you believe this program will help you in the future?

5. Do you have any family living in Australia currently? If so, what is their relationship to you, and which Australian town/suburb and State do they live in?

6. How much is the total cost of the course?

7. How do you plan on funding your study and living costs?

8. What are your post study plans? What are your short and long term work goals after completing your studies in Australia?

9. Describe your family background (your marital status, who you currently live with, how many siblings, how many children/dependents).

10. If known, where will you live in Australia and are you aware how far that is from the college? If you plan to live with your relatives, you must provide details of the address.
